Nidia Gonzalez
Central Texas Commercial College
9400 N. Central Expressway Suite 200
Dallas, TX 75231

Dear Nidia,

Thank you for the referrals of students to my office. Occasionally, I have needed additional help in the office, usually temporary, and you have kindly offered qualified candidates for me to interview.

Sometimes those temporary positions have turned into permanent entry-level positions.

Your candidates have been hardworking and conscientious and have been able to put the technical skills they learned from you school to good use in my office.

Sincerely,

Richard Ramirez
